Volunteer Mediator Application Form

Croydon Community Mediation is a charity dealing with conflict within the London Borough of Croydon, mostly neighbour disputes. The mediators are trained volunteers.

The training costs the service approximately £500 per volunteer and takes at least six full days. This is a considerable investment of money by the service and time by the trainee. We are, therefore, looking for volunteers who are able to commit to staying with us for some time.

All volunteers are required to have an Enhanced DBS certificate.

Please complete this form and return by email along with your CV and a recent photograph.

4

What level of availability can you offer the service once qualified? (as a general guide - we recognise that your circumstances may vary in the future)

5

Can you foresee any potential conflicts of interest if mediating in The London Borough of Croydon?

6

Is there anything else you wish to write in support of your application?
